

Just a few notes to consider when doing your Village of Ottoville 2021 Income Tax Return:

If you are a resident, 18 (as of 12-31-2021) years of age or older, you need to file an income tax return, regardless if you owe tax or not.

If you receive a W2, 1099 (certain types), have a business, rentals or any **earned** income, you need to file an income tax return, even if you are retired.

Include with your income tax return for the Village - W2's (showing FULL federal and local tax information), other income proof (1099's, etc.), a copy of your federal 1040, with a Schedule 1 **and any related Schedules (in full)** of amounts included on the Schedule 1. This is required by the Ordinance (Section 5, (F), (2)).

Make sure to sign/date the income tax return at the bottom

This includes village-printed returns or ones filled out by your accountant.
