RECORD OF PROCEEDINGS Village of Ottoville Council

Meeting

GOVERNMENT FORMS & SUPPLIES 844-224-3338 FORM NO. 10148 Held June 28, 2021 20
 BPA report: Kyle Lehman has passed his Wastewater I & II test. A spare pump & cable was ordered for the Progressive Drive pump station due to excessive amount of salt that will be entering this station from the Smokehouse. There have been ssues with the Chart Recorder at the water plant. Schweller Electric suggested to go with a wireless system. It may also help to combat lightening strikes. Todd Schweller will come and try a system first then give a definite quote. Todd Schweller will check out updating the control panel at the sewer plant and give a quote. The Generac Generator at the water plant is fixed and running every Monday. Fall protection equipment to inspect manholes has been ordered and received. The new manhole on Progressive Drive will be lined on Thursday morning. This should protect it from the Smokehouse's salt. The first 8' of lining will be donated. The cost for the excess will be \$500. Sunset Westwood subdivision has chimney seals leaking extensively. These will be budgeted for repairs prior to lining. At 7:30pm Resolution 2021-07 Budget for 2022 year was read and discussed: General Fund \$920,280.00, Street Construction Fund \$226,900.00, State Highway Fund \$18,800.00, Police Fund \$21,400.00, Village Capital Fund \$53,930.00, Water Fund \$131,995.00, Sewer Fund \$297,560.00, Sewer Reserve Fund \$20,000.00, Water Reserve Fund \$20,000.00, & Utility Deposit Fund \$1,800.00. Total of \$1,712,665.00. Mr. Miller moved to accept Resolution 2021-07 as read second by Mr. Leis. Vote: Leis, yes; Markward, yes: Honigford, yes; Miller, yes; &
 Hoersten, yes. Austin Markward, Katelin Markward, & Mike Schneeg was present to discuss tapping into the sanitary and water system for annexed land. The annexation ordinance will be presented at the next meeting to start the three readings, and utility easement paperwork will be drawn up. Discussion was heard concerning painting parking lines. Mr. Markward will work with Barry Koester to decide where these should be painted. Mrs. Hoersten brought up a few trees which need removed: E. Fifth & SE Canal may be small enough that the street department may be able to cut it down. At W. Fifth & S. Church we may need to hire this one taken down. Mayor Miller gave an update on the Progressive Drive project. He also informed all that the Putnam County Port Authority has the ability to acquire loan money for the Village to borrow. With no further business meeting was adjourned at 8:42p.m. Mayor
