Present Jim Wannemacher Daniel Honigford
Sarah Zeller Adria Petrick
Joe Moreno Charlie Buss

Solicitor: Austin Buchholz - absent

Presiding: Mayor Ronald N. Miller, presiding

The meeting was opened with members reciting the Pledge of Allegiance.

The October 27 meeting minutes were provided to each Council member prior to the meeting and approved as written.

Mr. Moreno moved to approve bills presented for payment (see register attached) seconded by Mrs. Petrick. A vote of six yeses passed this motion.

Mr. Moreno moved to approve the financial reports presented prior to the meeting seconded by Mrs. Petrick. A vote of six yeas passed this motion.

Welcome Guests

- Jarod Hoersten was in attendance to inquire about tapping into the Road 24 sewer forced main. Expenses were discussed with him. Mr. Honigford moved to give him permission if he decided to proceed seconded by Mr. Wannemacher. A vote of six yeses passed this motion.

Fire Department by Chief Kimmet

- The fire department received the 2026 Ohio MARCS grant in the amount of \$41,974.11 for pagers and radios.
 - Chief Kimmet is continuing to apply for multiple additional grants.
 - The live burn for training was held November 15 with multiple departments attending from the area. It went well.

BPA by Fiscal Officer

- Mr. Davies moved to approve Resolution 2025-07 Water & RTS rates seconded by Mr. Calvelage. Roll Call Vote; Davies, yes; Helms, yes; Calvelage, yes.
 - First round of PFAS sampling was completed by MASI laboratory. The second will be done in March as required by the EPA. Then we will be placed on a sample monitoring schedule.
 - The drive on pump #2 at the WWTP had an input go bad causing it not to run. Schweller Electric and PAC engineering had to diagnose and fix the issue. These drives are around 20 years old. Mr. Knippen will acquire prices for replacements sometime in the next year.
 - The Ohio EPA did some composite sampling and an inspection at the WWTP. The report had good results. The sampling will be done again in the spring. The results will affect what is to be sampled for when the next permit comes due in 2027.
 - The concrete pads were repaired on the Second Street water tower. The bases for the high service pumps at the WTP were painted. These were two violations from the spring inspection. The village is now clear of those violations.
